CITY RESOURCES

The City of Corona offers an abundance of resources to help simplify, facilitate and improve the quality of life for residents. Take advantage of these resources, today!

ANIMAL SHELTER SERVICES

The Police Department's Animal Services & Enforcement section provides quality service and protection to our community by promoting a safe, healthy and caring environment for lost, stray or homeless animals. Each year, the Animal Shelter cares for thousands of animals in need of new

homes and encourages the adoption of shelter animals by responsible persons. All adoption fees include the cost of surgical sterilization, as well as the first basic vaccinations (excluding rabies). You are invited to visit our animal shelter to select a pet from our companion animals available for adoption. We also offer a rabies prevention and control program, which includes the licensing of all dogs four months of age and older. Corona residents may purchase dog licenses for dogs that have been vaccinated against the rabies virus at the Corona Animal Shelter, or at www.CoronaCA.gov/Animals.

FREE DISASTER PREPAREDNESS TRAINING

The Corona Fire Department – Community Emergency Response Team program prepares residents to be self-reliant in the event of a natural disaster.

Through preparedness and training, individuals are taught to take care of their family and neighbors, and to assess hazards before and after a disaster occurs. Our 27 hour FEMA-based course is free to Corona area residents and includes classroom and hands-on training in: Disaster Preparedness, Terrorism Awareness, Fire Safety, Disaster Medical Operations, Light Search and Rescue, Disaster Psychology and Team Organization. For more information please call (951) 279-3765 or visit www.CoronaCA.gov/CERT.

For information on the program call the Community Development Department at (951) 736-2262 or visit the department webpage at www.CoronaCA.gov.

WHAT TO DO WITH UNUSED MEDICATION

At one time it was common practice to flush old, unused medications down the toilet, but times have changed! Old medications that are not properly disposed of have the potential to be used by children or can wind up affecting our water supplies and environment. So what do you do with unused medications? Visit www.CoronaCA.gov/DWP to find out more!

GARAGE & YARD SALE REQUIREMENTS

Did you know a permit is required in order to conduct a garage or yard sale in Corona? The City allows only three (3) sales per year per applicant or location. Display of sale items should not block the sidewalk, parkway, or any area within the public right-of-way, as this could be a health and safety hazard. No more than two signs are allowed on the sale premises, and no more than two additional signs off premises. Be sure to get permission from the property owners where signs are placed. Do not place signs on utility poles, light poles, utility boxes, stop signs, or mail boxes, and don't forget to remove your signs after. Failure to do so may result in a citation. When applying for a permit, be sure to list the personal items that you will be selling and post your permit on the premises of the sale while in progress. You can purchase a permit in person by visiting City Hall (400 S. Vicentia Ave.) or online by visiting www.CoronaCA.gov/Permits. To report an illegal garage sale after hours or on weekends or holidays, please contact the Police Department at (951) 736-2330. Good luck with your sale!

CORONA MILITARY BANNER PROGRAM

The City's Military Banner program recognizes and honors Corona residents and their immediate family members (spouse, child, parent, legal guardian, or sibling) who are serving on active duty in the United States Armed Forces. For the purpose of this program, active duty is defined as 12 months of continuous service. To participate in the program, download and complete the application from the City's website at www.CoronaCA.gov. Please be sure to include proof of residency such as a current utility bill or driver's license listing a Corona address. Banners can be designed with the serviceperson's picture or without it and are installed twice a year in May and November along Main and Sixth Street.

HAVE YOU HEARD ABOUT THE VIAL OF LIFE?

The Vial of Life is an emergency preparedness program that allows citizens to compile personal information and have it readily available for 9-1-1 responders in the event of an emergency. The Vial looks like a prescription pill bottle, but contains an individual's health information including the name and contact information of a primary medical provider, existing health conditions, allergies, and medications the individual might take. Once completed, the sheet is placed in the Vial and stored on the top shelf of your refrigerator door. A magnet, provided with the Vial, is placed on the upper right corner of the refrigerator to alert emergency personnel that the household participates in the program.

The Vial of Life program is now augmented with **Quick Response (QR) code stickers**. These QR codes are scannable with any smartphone and can give firefighters instant access to your medical profile. To take advantage of this helpful program, pick up your personal QR code sticker packs and Vial of Life at any Corona Fire Station or Corona Fire Headquarters. Each kit comes with 4 vinyl stickers, all with the same ID and PIN to be used to access one profile. Then, go to www.GetMyID.com and click on Sign Up to create a MyID profile, an online medical profile that can be accessed anywhere. Many use it to manage personal medical information and clearly communicate important information to health care providers. MyID profiles are free, and you can add as many profiles as you want. Make an account for yourself, your senior parents, and/or your children. Finally, use the ID and PIN found on your stickers to link your personal stickers to your MyID profile.

Here are some ideas as to where to put your personal QR stickers:

- Place them on your bike, skateboard, or skates
- Stick them on your child's helmet, or car seat
- Post it on your wallet, phone, or your fridge
- Stick them to your parent's watch or key chain

This could help save your life, or the life of someone you love! For more information go to www.CoronaCA.gov/Fire.

PASSPORT SERVICES AVAILABLE AT THE LIBRARY

A little known secret at the Library is that it offers passport services! If you need a new passport or want to renew an existing document, visit the passport office on the first floor of the Library Monday-Saturday (M/T/W: 10:00am-7:30pm, Th/F/S: 12:00-3:30pm).
