

ARE YOU PREPARED FOR AN EMERGENCY?

Ask for your free

Vial of Life

What is the Vial Of Life program?

The "*Vial of Life*" program helps you to compile personal information and have it available for 911 responders in the event of an emergency.

A *Personal Information Sheet* is completed and stored inside a prescription medication type *Vial* which is then placed inside your refrigerator for safe storage.

A special *Magnet* is placed on the refrigerator door to alert Firefighters, Paramedics and Police Officers to locate your "Vial of Life" so that they can have accurate information to help you in a time of emergency or crisis.

QUESTIONS OR NEEDS?

Please send an e-mail to VialofLife@DiscoverCorona.com, call our Hotline at 951-736-2373, or visit the CORONA FIRE DEPARTMENT website at www.DiscoverCorona.com

The Vial of Life program is provided FREE of charge due to the generous support of the *Corona Fire Safety Foundation*, *Corona Regional Medical Center*, & *Kaiser Permanente*
