

# Searching for Accelerated Reading Books in the Library's Catalog

- At the Corona Public Library, books can be searched in our catalog by Accelerated Reading level and/or point value of the book.

1. To search for a book in your AR level, go to the Library [catalog](#) and click “Advanced search.”

The screenshot shows the library's main catalog page. At the top, there is a search bar with a blue arrow pointing to it. Below the search bar are links for 'Advanced search' and 'Tag cloud'. The main content area features a 'New Books' section with a row of book covers, including titles like 'Killer Instinct', 'Lady in the Lake', 'Emma Donoghue', 'Year's Battle belong to the Lola', 'Every Thing is Figure Outable', 'Will My Cat Eat My Eyeball?', 'Our Dogs Ourselves', and 'David Baldacci'. On the right side, there is a login box with fields for '14 digit card #' and 'last 4 digits of phone #', and a 'LOG IN' button.

2. From the drop-down menu, select “Accelerated Reading Level.”

The screenshot shows the library's advanced search page. A blue arrow points to the 'Accelerated Reading Level' option in the search criteria dropdown menu. The page shows search fields for keyword, author, and shelving location, along with search buttons and a list of media types including Audiobook, Book, Children's Boardbook, DVD (Not R-Rated), DVD (R-Rated), Digital Magazine, Downloadable eBook, Equipment, and Laptop Computer.

3. Type your reading level in the search bar, such as 3.4, and click "Search." You will now see a list of titles that are in your AR level.
