Creating Your Account

Visit CoronaCA.gov/Registration

Select Log In/Create Account in the upper left corner. Then select Create Your Corona Account.

Provide All Required Information for Account Holder

Don't forget to add your email to receive up-to-date information!

Add additional members (optional)

Keep your entire household on one account! Please note: Only the account holder has account log-in information.

Now you're ready to register for our great programs!

When you've found a program, make sure to select the correct account member before adding it to your cart.
