### Plot Summary

"A pilot stranded in the desert awakes one morning to see, standing before him, the most extraordinary little fellow. "Please," asks the stranger, "draw me a sheep." And the pilot realizes that when life's events are too difficult to understand, there is no choice but to succumb to their mysteries. He pulls out pencil and paper… And thus begins this wise and enchanting fable that, in teaching the secret of what is really important in life, has changed the world forever for its reader." – Antoine De Saint-Exupéry
