

# CITY OF CORONA HOUSING ELEMENT UPDATE

## JOIN US FOR AN INFORMATIONAL COMMUNITY MEETING

The City of Corona invites you to attend a community meeting on the City's Housing Element Update for Planning Period 2021–2029. Please join us to learn more about the update process, potential housing locations, and opportunities for meeting the City's housing goals (including affordable and special needs housing).

### WHAT IS THE HOUSING ELEMENT?

The City of Corona is currently processing an update to its General Plan Housing Element. The City's Housing Element Update is done every 8 years in accordance with State law. The city last updated its Housing Element in 2013. The Housing Element establishes goals, policies, and implementation measures to guide the development of housing in Corona. It is included in the Corona General Plan and outlines the City's plan to meet existing and projected future housing needs for all economic segments of the community.
