Community Facilities District No. 2002-3

1. District Profile

Project Description

Community Facilities District No. 2002-3 (the "CFD No. 2002-3" or the "District") was created to accommodate the fast growing Temescal Canyon area, east of Interstate 15, from Weirick Road to Ontario Avenue. This area has a combination of residential and business land uses, which made the formation of a new landscaping district a necessity. The District will provide the financial mechanism to maintain the master planned maintenance of parks, slopes, parkways, open space, medians, and maintenance of street trees and landscape.

Location

The CFD No. 2002-3 is generally located east of Interstate 15, and its boundaries are south of Liberty Ave. & La Gloria St., west of Temescal Canyon Rd., and north of Cajalco Rd. The District comprises over 183 acres and includes a total of 45 parcels.

Bond Profile and Principal Amount of Bonds Outstanding

The CFD No. 2002-3 is a non-bonded district.

2. Special Tax Information
