

CORONA POLICE

2021 ANNUAL REPORT

AT YOUR SERVICE

A MESSAGE FROM THE CHIEF

The Corona Police Department revamped its Vision, Mission, and Value Statements to reflect our direction and commitment to the community. Our Vision Statement is now To Achieve Excellence in Policing. While Excellence in Policing is not a new concept for the police department, in fact, its printed on the side of our vehicles, we thought it was important to highlight this message as the overarching purpose in our service. My direction to each staff member is to strive to reach excellence by providing the best service possible, especially when no one is watching, or in today's world, recording. Our department prides itself on our people, and as Chief of Police, my promise to our community is to provide you with the best people, equipment, and training to ensure the safety of all.

We encourage you to explore this year's Annual Report, which demonstrates our commitment to excellence and the unparalleled commitment of our staff to our community.
