**Footnotes:**

1. The above schedule covers most common and straight forward permit types. Fees for projects outside of the listed items shall be estimated by the Building Official based on degree of complexity and size.

2. Where no fee is specified or there is an unusual circumstance, that fee shall be determined by the Building Official.

3. For projects involving buildings or structures that are installed specifically for solar energy applications, fees will be charged based upon the type and/or size of the underlying building or structure in addition to the solar energy fees noted above.

\* Where plans are incomplete or changed so as to require additional plan checking, an additional plan check fee shall be charged at the rate established by the Fee schedule and the minimum hours as determined by the Building Official.
