Housing Element Rezoning Program **Community Workshop** Draft Development Standards for High Density Development

August 2, 2022

5:00 p.m.

Corona City Hall, Multi-Purpose Room
400 S. Vicentia Avenue, Corona, CA 92882

The City is in the process of creating development standards for an Affordable Housing Overlay Zone . The Affordable Housing Overlay Zone is designed to meet the City's housing requirements of the General Plan Housing Element.

The City is inviting the public to participate in the discussion on the creation of the new development standards for the Affordable Housing Overlay Zone.

Information on the City's General Plan Housing Element and Rezoning Program can be found at:
