**APPLICATION FOR RELIEF FROM COMPLIANCE
WITH WATER CONSERVATION ORDINANCE**

Please provide details regarding your relief from compliance request:

The following information must be attached with the application at the time of submittal:

1. Photographs, maps and/or drawings that illustrate the need for relief from compliance in the current watering stage (i.e. photos of installed water saving/efficient devices).
2. Information that can substantiate the applicant's request (i.e. past water bills showing reduction in use, any medical information pertaining to the need for water use, etc.).

For questions regarding this form, please call (951) 736-2234.

Please send completed application and supporting documentation to:
