

It's been a privilege to serve my hometown as Mayor and Councilmember.

I was born and raised in the Grand Circle to a working-class immigrant family. My husband Zach and I live in District 1 with our newborn daughter Eleanor and dog Xiao Mei.

I am running for reelection because I believe in our future.

Since elected in 2018 we have:

- **Reinvested in our open space** – reopened Griffin Park after 13 years; preserved community access to 292 acres near Skyline Trail that was previously slated for development; replaced five park playgrounds including Tehachapi and Cresta Verde.
- **Ensured our financial future** – refinanced pension liability saving taxpayers \$166 million and strengthened debt repayment policies.
- **Addressed homelessness head on** – reduced homelessness by 33% through compassion and enforcement; invested in mental health and housing services; incorporated social workers with police outreach; increased police department by 15 Sworn Officers and 9 Community Service Officers; launched Park Ranger program; on track to open low-barrier shelter with onsite medical, dental, and behavioral health services.

But there is still more to get done and I am ready to continue delivering results for our community.

I would be honored to earn your support once again.

In service,

Jacque
