PARK AMBASSADOR PROGRAM

OUR VISION IS FOR CORONA
TO BE AN ENGAGED, HEALTHY,
AND ENRICHED COMMUNITY!

Welcome

Thank you for your interest in the volunteer Park Ambassador opportunity. This program is an opportunity for residents to give back to the community while visiting their favorite parks. You can play a vital role in helping the Community Services Department keep Corona's parks beautiful, safe, and functioning for all residents.

Our volunteers serve as an extra set of eyes and ears to observe and report the overall condition of the parks they regularly visit. We sincerely appreciate your effort and hope that you enjoy making a meaningful impact on Corona's Park System.

The first step in becoming a Park Ambassador is attending the monthly volunteer orientation for the Department of Community Services. Orientations are held on the third Monday of the month at 6:30 p.m. in the Corona Public Library's community rooms and will require an interview with the parks division staff.

Volunteer Duties

Volunteers are asked to act professionally while performing their duties and to interact respectfully with park patrons while representing the Community Services Department.

Volunteers should not take it upon themselves to correct any maintenance issues in the park. Park Ambassadors are expected to look over the features of the park and report their observations. They should report anything that appears to be a safety issue to their volunteer lead and the department.

Observation of any non-urgent maintenance issues will be reported by using the City's See, Click, Fix mobile application or by calling the Community Services Department.

Note: Volunteers should NEVER confront park patrons or place themselves in harm's way. The first contact for emergencies is to call 911. Suspicious or illegal behavior should be reported to the Corona Police's non-emergency line, 951-736-2330, option 3.

Park Ambassadors are asked to do the following:

- Visit your assigned park once a week or twice a month at minimum
- Look over the features of the park and use the park observation checklist
- Utilize the See, Click, Fix app to report issues in the park that need to be fixed
- Make an effort to be informative and answer park patron questions
- Attend scheduled meetings with the Parks division of the department to go over progress and areas of concern
- Never confront or pursue persons involved in behavior that is illegal or suspicious

Interested candidates must attend a volunteer orientation for the Community Services Department. For more information visit: [CoronaCA.gov/LaRSVolunteer](https://www.coronaca.gov/LaRSVolunteer)

Background Check:
All prospective ongoing volunteers must pass a background check. This process can take 4-6 weeks. Please plan ahead. The City of Corona cannot accept court-referred or school-mandated volunteers who need to complete their hours to meet disciplinary requirements.

The City of Corona offers an abundance of resources to enhance the quality of life for residents. Take advantage of these resources today!

CORONA ANIMAL SHELTER

The Corona Animal Shelter provides quality service and protection to our community by promoting a safe, healthy, and caring environment for lost, stray, or homeless animals. Each year, the Animal Shelter cares for thousands of animals in need of new homes and encourages the adoption of shelter animals. All adoption fees include the cost of surgical sterilization and initial vaccinations (excluding rabies). The animal shelter also offers microchipping services and rabies prevention and control programs, including the licensing of all dogs four months of age and older. Corona residents may purchase dog licenses at the Corona Animal Shelter or at www.CoronaCA.gov/Animals for dogs that have been vaccinated against the rabies virus. Visit the animal shelter TODAY to find your next pet!

FREE TEEN DRIVER SAFETY PROGRAM: DRIVE 4 LIFE

This free program is designed by the Corona Police Department Traffic Collision Team to educate young drivers on the causes and prevention of traffic collisions. This life-changing program brings traffic safety awareness to teen drivers through interactive lectures, guest speakers and multimedia presentations. Topics covered include drunk driving, speeding, street racing, seatbelts, traffic court, and driving laws. The four-hour course is offered on a quarterly basis at the Corona Police Department (730 Public Safety Way). Parents are encouraged to attend, and seating is limited. For more information or to register for an upcoming class, please visit www.CoronaCA.gov/Police or call (951) 736-2355.

THE PERFECT PLACE FOR ALL YOUR OCCASIONS

Are you looking for a place to create priceless memories with friends and family? The Community Services Department has just the right venue for you! We offer a wide variety of facilities and amenities to accommodate most public and private events. From birthday parties and baby showers to business meetings and theatre productions, we have the perfect place to meet your needs. Interested in having a picnic? Rent a picnic shelter at one of the City's many parks and enjoy the day with family and friends or host a "field day" of team-building for your organization. Our facilities are conveniently located, reasonably priced, and attended by our helpful staff to ensure your event flows smoothly. To learn more about City facilities you can rent, please visit the Recreation Services pages at www.CoronaCA.gov/Recreation or call (951) 736-2241.

CORONA'S EMERGENCY NOTIFICATION SYSTEM

The City of Corona has a local notification system that sends telephone notifications to residents and businesses within Corona. Because the system uses the 9-1-1 database provided by the local telephone company, only land-line numbers are automatically in the system. If you would like to receive notifications by email or text, sign up online at www.CoronaCA.gov/ENS.

PASSPORT SERVICES AT THE LIBRARY

Passport Services are back at the Corona Public Library by appointment only. Please visit the passport page at CoronaCa.gov/Passports to make an appointment.

CORONA MILITARY BANNER PROGRAM

The City's Military Banner program honors Corona residents and their immediate family members (spouse, child, parent, legal guardian, or sibling) who are serving on active duty in the United States Armed Forces. For the purpose of this program, active duty is defined as 12 months of continuous service. To participate in the program, download and complete the application from the City's website at www.CoronaCA.gov. Please be sure to include proof of residency such as a current utility bill or driver's license listing a Corona address. Banners can be designed with the serviceperson's picture or without it. They are installed twice a year in May and November along Main, Magnolia, McKinley, Ontario, and Sixth Streets.

SAVER WATER & MONEY

The City of Corona Utilities Department offers its residents and businesses rebates on water-saving devices including toilets, clothes washers, rain barrels, rotating nozzles, and weather-based irrigation timers. Business rebates include toilets, urinals, ice-making machines, food steamers, dry vacuum pump, laminar flow restrictors, cooling tower conductivity controller, cooling tower pH controller, weather-based irrigation controllers, rotating nozzles, and large rotary nozzles. For more information and to apply for rebates, please visit www.SoCalWaterSmart.com.

GARAGE & YARD SALE REQUIREMENTS

Did you know a permit is required for a garage or yard sale in Corona? The City allows only three (3) sales per year per applicant or location. Display of sale items should not block the sidewalk, parkway, or any area within

the public right-of-way, as this could be a health and safety hazard. No more than two signs are allowed on the sale premises and no more than two additional signs off-premises. Be sure to get permission from the property owners where signs are placed. Do not place signs on utility poles, light poles, utility boxes, stop signs, or mailboxes, and don't forget to remove your signs after. Failure to do so may result in a citation.

When applying for a permit, be sure to list the personal items that you will be selling and post your permit on the premises while in progress. You can purchase a sales permit by visiting City Hall (400 S. Vicentia Avenue) or online by visiting www.CoronaCA.gov/Permits. To report an illegal garage sale after hours or on weekends or holidays, please contact the Police Department at (951) 736-2330. Good luck with your sale!
