

# Got Junk?

## WASTE MANAGEMENT MAKES CLEAN UP EASY AND FREE WITH OUR BULKY ITEM COLLECTION PROGRAM!

Corona customers with curbside cart service can request (3) curbside bulky item pickups (up to six items per pickup) for their residence each year at no additional cost. Bulky item pickups take place on the customer's regularly scheduled collection day, by appointment only, through Waste Management.

Bulky items include: furniture, appliances, mattresses\*, lumber (cut into 4-foot pieces and bundled), refrigerators, freezers and air conditioners or multiple smaller items, not to exceed six items total.

Bulky items may also include electronic Waste (e-waste) such as: computers (terminals, monitors and peripherals), stereo systems, TV's, DVD/Blu-Ray Players, etc. However, a maximum of five (5) e-waste items per year will be collected as part of the three (3) complimentary bulky item pickups.

*\*If a mattress contains any stains, please wrap it in plastic before placing it out for a bulky item pick up*

**Items not accepted as bulky waste include, but are not limited to: dirt, rock, concrete, bricks, fires, auto parts, special waste and hazardous waste (batteries, paints, oils, solvents, cleaners, gasoline etc.)**

### Some important guidelines to follow for bulky item pickups:

- Call Waste Management's service center at **(800) 423-9986** no later than **two days** prior to your regularly scheduled trash and recycling collection day
- Describe to the Waste Management Customer Service Representative what items need to be collected so that your bulky item collection will be properly routed
- Place bulky items at curbside adjacent to your trash, recycling & green waste carts before 6:00 a.m. on your regular collection day. *Please note that a different Waste Management truck may collect bulky items and may not be your regular Waste Management Driver*

**IMPORTANT:** If bulky items are **not scheduled** for pick up on your regularly scheduled collection day and are left out on the curb, it will be considered illegally dumped and the property owner will be subject to a citation by City of Corona Code Enforcement
