If one of these standby assignments is for less than a full week, the weekly Standby Pay shall be pro-rated accordingly. Employees other than those listed herein shall not be placed in a standby capacity.

If employees are contacted while on standby and required to respond back to work, they shall receive a minimum of two hours of pay, paid portal to portal. In addition, assuming the time worked is overtime per Article 8, the pay will be paid at overtime rates as described in Article 8.

3.3 Section 22.1 – How Holidays Are Paid: Section 22.1 of Article XXII (Holidays) of the MOU is hereby **modified as reflected by the track changes below** ~~deleted in its entirety and replaced with the following~~:

Section 22.1 – How Holidays are Observed and Paid

Employees in the unit work either “with regard to holidays” or “without regard to holidays”. Employees who work “with regard to holidays” have holidays off and employees who work “without regard to holidays” work in positions where the employee is required to work on a holiday.

Employees who work with regard to holidays: (Employees in all classification, except those listed below)

All holidays in the above list will be observed on the actual day of the holiday except for holidays that occur on a Sunday. For holidays that occur on a Sunday the observed day shall be the following Monday.

If the observed holiday falls on an employee’s regular workday, and the employee does not work on that day, they shall be paid for their regularly scheduled hours, up to ten hours. For employees who work schedules in excess of ten (10) hours per day, they can use annual leave or accrued compensatory time to be paid for the hours above ten (10) hours on a holiday. Employees without such leave will only be paid for ten hours for the holiday.

If the employee is required to work on a holiday due to an emergency or other unintended event, the employee shall be paid time and one-half for all hours worked, plus accrue 10 hours of Annual Leave

For holidays that fall on the employee’s regular day off, employees shall accrue Annual Leave hours equal to the number of hours of their regular shift, up to a maximum of ten (10) hours per day. These Annual Leave hours may be used by the employee (including employees on their initial probationary period) as Annual Leave.

Employees who work without regard to holidays: (Employees in the following classifications): Public

Safety Dispatchers I/II Flex, Animal Control Officer, Senior Public Safety Dispatcher, Forensic Specialist I/II Flex, Jailer, Police Records Technician I/II Flex, Water Operator I/II/III Flex, Water Reclamation

Operator I/II/III Flex, Lead Water Reclamation Operator, Lead Water Operator, Senior Utility Service Worker, Lead Utility Service Worker, Utility Service Worker I/II Flex, Community Service Officer I/II Flex, and, **Utility Service Worker Crew Leader**.

For employees who work “without regard to holidays”, a holiday will be observed on the actual dates above. Since those employees typically work on a holiday, the employee shall be paid time and one-half for all hours worked on the holiday, plus receive pay for 10 hours in lieu of holiday leave.

If the holiday falls on the employee’s regular day off, the employee shall accrue 10 hours of Annual Leave.

If the holiday falls on the employee’s regular work day but the employee does not work on that day, then the employee will be paid for their regular shift, up to 10 hours. If the employee’s regular shift is longer than 10 hours the employee may supplement Annual Leave or CTO to receive a full paycheck for that day.

Rules Applicable to All Employees Whether They Work With or Without Regard to Holidays

Employees that work on the day of an observed holiday shall be paid at time and one-half for all time worked on the holiday, plus holiday pay equal to the number of hours of their regular shift on that day, with a maximum of ten (10) hours.

An employee is deemed to “work” on the day their shift starts. For example, if the holiday falls on Thursday, an employee working a shift that begins Wednesday night and ends on Thursday morning is not considered to work on the holiday; however, an employee whose shift begins Thursday night and ends Friday morning is considered to work on the holiday.

In compliance with the California Public Employees’ Retirement System regulations and definition of Special Compensation the additional compensation paid to employees who are normally required to work on holidays because they work positions that require scheduled staffing without regard to holidays shall be reported to CalPERS as compensation earnable or pensionable compensation per Title 2 CCR, Section 571(a)(5) and 571.1(b)(4) as a “Holiday Pay”. However, it is ultimately CalPERS who determines whether any form of pay is reportable special compensation.

3.4 Schedule A-1: Base Pay Increases Schedule A-1 (List of Newly Added Classifications Represented by CPSEA)

3.5 Schedule B-1: Uniform Value Schedule B-1 (List of Newly Added Classifications with Uniform Value Represented by CPSEA)

3.5 Entire Agreement; Continuing Effect of MOU It is understood and agreed that the specific provisions contained in this Side Letter shall supersede any previous agreements, whether oral or written, regarding the matters expressly addressed herein. In addition, except as amended by this Side Letter, all wages, hours and other terms and conditions of employment presently enjoyed by the affected employees and contained in the MOU, as amended by duly approved previous side letters, shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have caused this Side Letter to be executed on the date first hereinabove written.
