CATEGORICAL EXEMPTION

TO: CLERK OF THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE

FROM: CITY OF CORONA
UTILITIES DEPARTMENT
755 PUBLIC SAFETY WAY
CORONA, CA 92880

1. Project title: WRF-1 Centrifuge Project
2. Project location (specific): The Water Reclamation Facility (WRF) 1 project site location is on City property located at 2205 Railroad St. Corona, California 92880.
3.
 - a. Project location - *City of Corona (Citywide)*
 - b. Project location - *County of Riverside*
4. Description of nature, purpose and beneficiaries of project: The WRF 1 Centrifuge Project is focused on replacing an obsolete belt press with a new Alfa Laval ALDEC G395 Centrifuge at Water Reclamation Facility No. 1, significantly enhancing the sludge dewatering process essential for water reclamation. This upgrade involves comprehensive civil, mechanical, electrical, instrumentation, and telemetry work. The project will streamline the facility's operations, reduce maintenance requirements, and increase efficiency, benefiting the operational staff and the City of Corona's residents by ensuring more effective sewage treatment.
6. Name of Person or Agency undertaking the project, including any person undertaking an activity that receives financial assistance from the Public Agency as part of the activity or the person receiving a lease, permit, license, certificate, or other entitlement of use from the Public Agency as part of the activity: *This is a public improvements project under the supervision of Tom Moody, Director of Utilities with the City of Corona, Utilities Department*
7. Exempt Status (check one):
 - a. Ministerial Project (Pub. Res. Code § 21080(b)(1); State CEQA Guidelines § 15268).
 - b. Not a project.
 - c. Emergency project (Pub. Res. Code § 21080(b)(4); State CEQA Guidelines § 15269(b),(c)).
 - d. Categorical Exemption. State type and class number: State code Class 2 section number 15302.c
 - e. Declared Emergency (Pub. Res. Code § 21080(b)(3); State CEQA Guidelines § 15269(a)).
 - f. Statutory Exemption. State code section number 15284
 - g. Other: Explain: *Disapproved Project pursuant to Public Resources Code sec. 21080(b)(5) and CEQA Guidelines sec 15270.*
8. Reasons why the project is exempt:
The WRF 1 Centrifuge Project qualifies for exemption under CEQA because it involves minor alterations to existing public facilities. The project's scope, which includes replacing an outdated belt press with a new Alfa Laval ALDEC G395 Centrifuge, falls within the parameters of routine maintenance and equipment upgrades at an existing water reclamation facility. This replacement and upgrade does not involve an expansion of the existing use of the facility but aims to enhance the efficiency and reliability of the current operations. Additionally, the project will not result in significant environmental impacts, as it is confined to the existing facility footprint and utilizes existing utility and infrastructure systems.
9. Contact Person/Telephone No.: *Aftab Hussain, Maintenance Manager, (951)-736-2443*
10. Was a public hearing held by the lead agency to consider the exemption?
If yes, the date of the public hearing was: *No*

Date received for filing: 2/1/24

Signature: Sylvia G. Edwards
