## CITY OF CORONA

### CONSOLIDATED PLAN COMMUNITY MEETING & COMMUNITY NEEDS SURVEY

**Program Description:**

The City of Corona (City) receives funding on an annual basis from the U.S. Department of Housing and Urban Development (HUD) to address various housing and community development needs. To continue receiving these funds, the City must prepare and submit several key planning documents: the Consolidated Plan, Annual Action Plan, and Consolidated Annual Performance and Evaluation Report (CAPER).

- **Consolidated Plan:** Establishes the City's housing and community development needs and how program funds will be allocated over a five-year period.
- **Annual Action Plan:** Details the specific activities to be undertaken each year to address the high priority needs identified in the Consolidated Plan.
- **CAPER:** Provides an overview of the progress made toward achieving the goals established in the Consolidated Plan.

The purpose of Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) programs community meetings/public hearings is to hear the views of residents and respond to proposals or questions concerning housing and community development needs, priority non-housing community development needs, proposed strategies and actions for affirmatively furthering fair housing, the development of proposed activities, and a review of program performance.
