### WHAT IS NEA READ ACROSS AMERICA (RAA)?

NEA's Read Across America is the nation's largest celebration of reading. This year-round program focuses on motivating children and teens to read through events, partnerships, and reading resources that are about everyone, for everyone. For more information, visit NEA's Read Across America site at [www.readacrossamerica.org](http://www.readacrossamerica.org).

### HOW DOES THE CORONA PUBLIC LIBRARY RAA READING CHALLENGE WORK?

- Log onto your Beanstack account and join the Corona Public Library Read Across America Reading Challenge.
- First time using Beanstack? Register at [coronapl.beanstack.org](http://coronapl.beanstack.org) or download the app to register!
- Explore diverse books from across America by reading a book about or set in each state. Earn rewards for every 10 books you read. Read a total of 50 books (50 states) to complete the challenge.
- This challenge is ongoing. Readers may participate in the challenge as long as they are within the age requirement (ages 4-12).
- The Corona Public Library has put together a list of books from all 50 states. Use the list to get you started. Feel free to explore books beyond this collection as well. Book availability is subject to change at any time. To check availability or to place a hold, visit: <https://bit.ly/CPLRAA>
- Non-fiction books about the state also count.
