

**ECONOMIC DEVELOPMENT SUBSIDY REPORT
PURSUANT TO GOVERNMENT CODE SECTION 53083**

**FOR AN OPERATING COVENANT AGREEMENT
BY AND BETWEEN
CITY OF CORONA
AND
ROBERTSON'S READY MIX, LTD.
(ADOPTED 12-16-15 BY RESOLUTION NO. 2015-085)**

Pursuant to Government Code Section 53083, the City Council of the City of Corona must hold a noticed public hearing and, prior to the public hearing, provide all of the following information in written form and available to the public and through the City's website, regarding a proposed economic development subsidy to be provided by the City pursuant to that certain First Amendment to Operating Covenant Agreement by and between the City of Corona and Robertson's Ready Mix, LTD. ("Amendment"). Notice was published in the local newspaper for a public hearing to be held on December 16, 2015.

The City and Robertson's Ready Mix, LTD. ("Robertson's") previously entered into that certain Operating Covenant Agreement dated December 18, 2013 ("Original Agreement"). The City and Robertson's now intend to enter into the Amendment to provide for automatic extensions of the term of the Original Agreement. The Original Agreement, together with the Amendment, shall be referred to herein collectively as the "Agreement."

The purpose of this report is to provide the information required pursuant to Government Code Section 53083 in regards to the Agreement. This report shall remain available to the public and posted on the City's website until the end date of the economic development subsidy, as further described in number 2 below.

1. The name and address of all corporations or any other business entities, except for sole proprietorships, that are the beneficiary of the economic development subsidy.

The Agreement is with Robertson's Ready Mix, LTD., a California limited partnership. Robertson's Ready Mix, LTD. Inc. is the sole beneficiary of the economic development subsidy.

Robertson's Ready Mix, LTD.
200 S. Main Street, Suite 200, Corona, CA 92882

2. The start and end dates and schedule, if applicable, for the economic development subsidy.

As provided in the Original Agreement, the start date of the economic development subsidy commenced on the first day of Computation Quarter 1, as defined in the Original Agreement, which occurred on or about January 1, 2014. The end date under the Original Agreement was established as the date that is no later than 25 years after the start date, on or around December 31, 2039. If the Amendment is approved by the City

Council, the term of the Original Agreement will automatically renew for subsequent 60 month periods, unless terminated pursuant to the terms of the Agreement, either before the end date of the Original Agreement or during any subsequent renewal period. If the term is automatically renewed, accordingly, the economic development subsidy shall continue for such 60 month renewal period.

The economic development subsidy is paid quarterly (every 3 months), within 120 days of the end of each Computation Quarter. Computation Quarters run from January 1 to March 31, April 1 to June 30, July 1 to September 30, and October 1 to December 31.

3. A description of the economic development subsidy, including the estimated total amount of the expenditure of public funds by, or of revenue lost to, the local agency as a result of the economic development subsidy.

The economic development subsidy is calculated based on Robertson's sales tax revenue received by the City during a Computation Quarter in an amount equal to the sum of \$549,381 of the Sales Tax Revenues attributable to annual taxable sales. This calculation is an estimate based on the most recent Fiscal Year receipts.

The City estimates that the total amount of the expenditure of public funds as a result of the economic development subsidy under the Original Agreement will be \$54,938,112. Each five (5) year extension, based on current sales history, would be an additional \$10,987,700.

4. A statement of the public purposes for the economic development subsidy.

Through this Agreement, Robertson's will be committed to operating and maintaining a retail sales office in the City for transacting merchandise sales.

The public purpose of the economic development subsidy includes, but is not limited to, having a company establish and maintain a physical presence in the City which will create jobs and stimulate the economic recovery of the Inland Empire. Robertson's has agreed to maintain a sales office within the City, expand its operations within the City over the term of the Agreement and remain in the City for a period of not less than 25 years from the Effective Date of the Original Agreement. The City has determined that the establishment of the sales office within the City will generate substantial revenue for the City, create new jobs, revitalize an area of the City which has suffered a loss of jobs and businesses during the economic downturn of the mid-2000's, and result in community and public improvements that might not otherwise be available to the community for many years. Additionally, by having a company like Robertson's maintain a physical presence in Corona we will be adding diversity to and generating new opportunities for economic growth.

Further, the sales office serves the additional public purpose of fostering a business and civic environment that may attract additional businesses and investment in the community due to the availability of the increased public and private services and economic activity resulting therefrom, thereby assisting the City in its goal of furthering the development of the community.

Entering into the Amendment will also ensure the retention of high paying/management jobs within the City and provide opportunity for additional job growth throughout the term of the Agreement.

5. The projected tax revenue to the local agency as a result of the economic development subsidy.

The City anticipates that the continued operation of a sales office within the City will result in an approximate increase of sales tax revenue by \$4,395,049 per year, minus the covenant payments to be paid to Robertson's, as set forth in number 2 above.

6. The estimated number of jobs created by the economic development subsidy, broken down by full-time, part-time, and temporary positions.

The continued operation of the sales office within the City is anticipated to result in the retention of approximately up to 1,517 jobs over the term of the Agreement, as follows:

- Up to 1,517 full-time jobs
- Up to 0 part-time jobs
- Up to 0 temporary positions
