Soroptimist Club of Corona is a women's service club that was chartered on February 27, 1947. The mission of the Soroptimist International of Corona is "to improve the lives of women and girls, through programs leading to social and economic empowerment." The Soroptimist Club of Corona updated their Articles of Incorporation on February 17, 1988 changing their name to Soroptimist International of Corona. They are one of sixty clubs in the Golden West Region and one of twenty-eight clubs that make up the Soroptimist International of the Americas.

Worldwide there are over 76,000 Soroptimist members in 120 countries and territories who focus their efforts on improving the lives of women and girls.

The Soroptimist International of Corona local projects have included providing scholarships to local high school graduates, establishing a battered women's shelter in Riverside County, establishing a playground at Peppermint Ridge, and fundraising for the American Heart Association.

Current local service projects include Dreams & Decisions which helps 7th and 8th grade girls focus on their goals and be aware of the pitfalls that could derail those goals; scholarships given to graduating seniors at local high schools; Live Your Dream Education and Training Award given to a woman who primarily supports her family to enable her to meet her goals to improve their educations, skills and employment prospects; Live Your Dream-Dream It, Believe It, Achieve It provides high school age young women with professional role models, career education and resources to fulfill their dreams; and Women of Significance which honors a woman of Corona who has made a positive impact in their communities.

The local club also has national level service projects such as *Stop Trafficking* and *Live Your Dream* that they actively participate in.

The collection is arranged in ten series. Series one through six contain Soroptimist International of Corona documents arranged by Administrative, Financial, Technical Committees, Programs of Service, Sponsored Organizations and Sister Club. Series seven relate to the Pacific/Golden West Region, and series eight relate to Soroptimist International of the Americas.
