## Guidelines for Participating in the Summer Reading Incentive Program

**Summer Reading Program (SRP) is free for all ages and reading abilities.**

Each age or reading group will have benchmarks set in minutes. Your goal is to complete those benchmarks between June 5-July 22, 2017 to earn prizes.

### Important Dates

First day to sign up: Monday, June 5, 2017

Last day to sign up: Saturday, July 8, 2017

Last day to log minutes and pick up prizes: Saturday, July 22, 2017

### signing up and logging

Join the SRP by first registering at online on the CPL website [www.CoronaPublicLibrary.org](http://www.CoronaPublicLibrary.org). You can register from your own Internet-connected device or visit the library to have our wonderful volunteers help you at the SRP Booth located in the library's main lobby. You will need to fill out a simple online form, including creating a username and password.

### designer's number

A Designer Number corresponds to an age or reading group. Each Designer Number has different SRP benchmarks to achieve:

- Designer 1** (ages 0-4) -- 300 minutes
- Designer 2** (ages 5-8) -- 300 minutes
- Designer 3** (ages 9-12) -- 600 minutes
- Designer 4** (ages 13-17) -- 1200 minutes
- Designer 5** (ages 18+) -- 1200 minutes
- Designer 6** (Adaptive Corona 16+) -- 300 minutes
- Designer 7** (ARA Student 18+) -- 300 minutes

### designer's card

Print or pick up a Designer Card when you register. Each Designer Card will detail your reading benchmarks and the rewards available to you. Your Designer Card will serve as your log and will be used to track your prize pick-up.

### prizes

Visit the SRP Booth at least 3 times during the summer to retrieve your prizes. You must be present to receive each prize. A volunteer will be available to stamp your Designer Card each time you claim a prize. You are limited to two spins per day and may receive up to five spinning wheel prizes during the SRP.

### online badges

As you log minutes, either at home or with a volunteer at the SRP Booth, you will earn online badges. You can earn additional badges two different ways:

**Attend an SRP event** (all dates are on the back of this flyer). Look for the special code word at each event. Log that code word to earn your badge.

**Play Library Bingo.** Grab a bingo card at the SRP Booth. Complete 5 spaces in order to receive a BINGO! You can earn up to 3 BINGOs during the SRP. Turn completed cards into the SRP Booth to be awarded your badge.

Earning badges will enter you into a prize drawing separate from the Grand Prizes.

### grand prizes & finishers' party

Participants who complete all of the necessary benchmarks for their Designer group will be entered into a Grand Prize drawing and will be invited to the Finishers' Party on Friday, July 28, 2017 at the Circle City Center (365 North Main Street).
