

MEMORANDUM

PUBLIC WORKS DEPARTMENT

DATE: January 13, 2015

TO: Brad Robbins, City Manager

FROM: Nelson D. Nelson, Public Works Director

SUBJECT: Updated ADA Transition Plan – Biannual Progress Report

Attached for your information, is the Biannual Progress Report as required per the Updated ADA Transition Plan:

“The City’s ADA Coordinator is also authorized to keep the ADA Self-Evaluation and Transition Plan and the ADA Non-Discrimination Policy and Grievance Procedure up-to-date, and is directed to update them at least every two (2) years.”

Resolution No. 2013-017 was passed, approved, and adopted by City Council on March 6, 2013, adopting the City of Corona Americans with Disabilities Act Self-Evaluation and Transition Plan, including re-adoption of the City’s ADA Non-Discrimination Policy and Grievance Procedure, and designation of the City’s ADA Coordinator.

**Updated ADA Transition Plan – Structural Improvements
Biannual Progress Report
January 2015
(For Period of March 6, 2013 to December 31, 2014)**

The annual ADA Task Force Meeting convened February 20, 2013, and March 3, 2014. A representative from each City Department was present to discuss issues concerning compliance with the Americans with Disabilities Act, and participate in identifying priorities to ensure that City facilities would comply with the ADA. A public meeting was also held on February 6, 2014, to allow citizens the opportunity to notify the City of concerns, and establish priorities for modifying City facilities.

Eight requests for services related to ADA issues were received by the ADA Coordinator in 2013 and 2014. Six of these requests were closed upon completion of the requested improvements; the remaining two will be completed as part of a future project. Although two residents requested a copy of the ADA Non-Discrimination Policy and Grievance Procedure, no Grievance Forms were submitted during this two-year period.

Appendix A is the revised version of the ADA Non-Discrimination Policy and Grievance Procedure.

For the period of March 6, 2013, through December 31, 2014, the City completed improvements to City facilities and deficient street corners. A detailed list of the items completed is shown in **Appendix B**; however the following is a summary list of City facilities that were modified to comply with current ADA requirements:

- Animal Control Facility
- Auburndale Park
- Border Park
- Brentwood Park
- Buena Vista Park

- Santana Park
- Senior Center
- Serfas Club Park
- Sheridan Park
- Spyglass Park
- Tehachapi Park
- Victoria Park
- Village Park
- 730 Corp Yard Building (Police Station)
- 735 Corp Yard Building
- Public Right-of-Way Infrastructure

Appendix A

AMERICANS WITH DISABILITIES ACT NON-DISCRIMINATION POLICY AND GRIEVANCE PROCEDURE

In Accordance with Title II of the Americans with Disabilities Act

NON-DISCRIMINATION POLICY

The City of Corona is committed to ensuring that people with disabilities are able to take part in and benefit from the variety of public programs, services, and activities offered by the City. The City of Corona continues to modify its facilities, programs, policies, and practices as necessary to ensure such access is provided.

ADA GRIEVANCE PROCEDURE

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (ADA) and the ADA Amendments Act of 2008, the City of Corona (City) does not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Title II of the Americans with Disabilities Act requires that public entities adopt and publish grievance procedures to assure the prompt and equitable resolution of grievances. The purpose of this ADA grievance procedure is to resolve, as promptly as possible, any problems, grievances, or conflicts related to the City's ADA compliance without the need for the grievant to resort to other remedies available under the law.

CONTENTS

1. Who may file a grievance?
2. When should a grievance be filed?
3. What should the grievance include?
4. What if I need assistance filling out my grievance?
5. What happens after I file my grievance?
6. When will I receive a response?
7. Should I be concerned that a City officer or employee might retaliate against me if I file a grievance?
8. What can I do if I am not satisfied with the initial investigation?
9. How long are grievances kept?

1. WHO MAY FILE A GRIEVANCE?

You or your authorized representative may file an ADA grievance if you believe that:

- The City is not in compliance with the physical access requirements of the Americans with Disabilities Act related to its public facilities, land, or right-of-ways; or
- You, or a specific class of individuals, have been denied access to participate in City programs, services, or activities on the basis of disability; or
- You, or a specific class of individuals, have been otherwise subjected to discrimination on the basis of disability by the City of Corona; or
- The City has otherwise violated the ADA.

Current City of Corona employees are to contact the Human Resources Department should they have ADA issues or concerns.

2. WHEN SHOULD A GRIEVANCE BE FILED?

Before filing a grievance, you may seek informal resolution by contacting the City's Designated ADA Coordinator:

Nelson D. Nelson
(951) 817-5765
nelson.nelson@ci.corona.ca.us
400 South Vicentia Avenue
Corona CA 92882-2187

If your informal concern is not resolved in a timely fashion, you may file a formal grievance under this procedure.

You are encouraged to file your grievance as soon as possible, but within 60 business days.

3. WHAT SHOULD THE GRIEVANCE INCLUDE?

The grievance should be in writing and contain information about the grievance, submission date, name, address, telephone, or cell phone number of grievant, location, date, and description of the problem. A grievance form is available at the City for your convenience, but is not required to be used.

Grievances should be submitted to the ADA Coordinator (Nelson D. Nelson), with a copy to the City Clerk.

4. WHAT IF I NEED ASSISTANCE FILLING OUT MY GRIEVANCE?

An alternate means of filing grievances, such as personal interviews or audio recording of the grievance, will be made available upon request for persons with disabilities.

5. WHAT HAPPENS AFTER I FILE MY GRIEVANCE?

After receiving your grievance, the ADA Coordinator will investigate within 20

business days. The investigation may include you and any other person(s) the investigator believes to have relevant knowledge concerning your grievance. The investigator will also consider any written evidence submitted.

After completing the investigation, the investigator will review the factual information gathered. The ADA Coordinator will then issue a written response.

6. WHEN WILL I RECEIVE A RESPONSE?

The ADA Coordinator will provide a response within 20 business days.

7. SHOULD I BE CONCERNED THAT A CITY OFFICER OR EMPLOYEE MIGHT RETALIATE AGAINST ME IF I SUBMIT A GRIEVANCE?

The City does not retaliate against any person for filing a grievance, and does not permit retaliation by its officers or employees. Please notify the ADA Coordinator of any perceived retaliation.

8. WHAT CAN I DO IF I AM NOT SATISFIED WITH THE INITIAL INVESTIGATION?

If you are not satisfied with the findings of the investigation, you may submit an appeal to the City Manager within 15 business days of your receipt of the written response, stating the reasons for the appeal. An alternate means of filing an appeal, such as personal interviews or audio recording of the appeal, will be made available upon request for persons with disabilities.

Within 20 business days after receipt of the appeal, the City Manager, or his/her designee, will meet with the grievant to discuss a resolution. Within 20 business days after the meeting, the City Manager, or his/her designee, will respond with a final resolution.

You may file your appeal at the following address:

City of Corona
City Manager's Office
400 S. Vicentia Avenue
Corona, CA 92882-2187

If you are not satisfied with the results of the appeal, you may file a complaint with the appropriate agency or department of the State or Federal government. Contact the U.S. Department of Justice or the California Department of Justice Civil Rights Division for information about how to file a complaint with these agencies.

Using this grievance procedure is not a prerequisite to pursuing any of your other remedies. However, in the interest of a prompt resolution of the grievance, the City encourages you to use this procedure in addition to any other available alternatives you may choose.

9. HOW LONG ARE GRIEVANCES KEPT?

All grievances received by the ADA Coordinator and appeals received by the City Manager will be kept by the City of Corona for at least three (3) years.

Appendix B

2013 ADA Upgrades – Scope of Work completed

Animal Control Facility (complete 3-28-13)

- *Install ADA compliant parking stall, ramp and signage.
- *Install ADA compliant signage at parking entry.

Auburndale Park (complete 11-12-13)

- *Install ADA compliant parking and signage.
- *Provide ADA path of travel signage.
- *Paint all stair nosing's with contrasting color
- *Re-work and/or replace existing ramp guard rail to comply with current safety codes.
- *Remove & replace four existing doors with new ADA compliant doors.
- *Construct new ADA compliant rinsing shower.
- *Install new ADA compliant pool lift.
- *Demo and construct new ADA compliant ramp to existing tennis court.
- *Install accessible entry to existing wading pool per plans and details.
- *Provide new ADA compliant restroom.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms.
- *Demo & re-construct new unisex restroom to ADA standards.

Border Park (complete 4-18-13)

- *Install new ADA accessible zero curb face ramp w/truncated domes & HC stall.
- *Install ADA compliant signage.
- *Restripe parking lot.
- *Install accessible ramp to play area
- *Install new ADA public access walkway to park.
- *Install ADA compliant picnic bench area.
- *Restripe parking lot.

Brentwood Park (complete 10-18-13)

- *Provide ADA accessibility parking entry signs at all parking lot entries.
- *Provide ADA path of travel signage.
- *Add truncated domes where needed.
- *Provide new sidewalk to connect public sidewalk for compliant path of entry to park.
- *Provide new ADA compliant parking & access.
- *Provide wheelchair areas.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms.
- *Install new wheel stops at four locations.
- *Repair and/or relocate all irrigation damaged due to construction.

WOMAN'S RESTROOM:

- *Toilet paper dispenser replaced with continuous rolling type.
- *Install ADA Compliant wall & door signage.
- *Sink faucet too high, adjusted to be ADA compliant.

MEN'S RESTROOM:

- *Install ADA compliant grab bars at HC stall.
- *Toilet paper dispenser replaced with continuous rolling type.
- *Install ADA compliant wall & door signage
- *Sink faucet too high, adjusted to be ADA compliant

Appendix B

INTERIOR RESTROOM:

- *Relocate grab bar and toilet seat dispenser for ADA compliance

Buena Vista Park (complete 4-4-13)

- *Install ADA compliant signage at park entry.
- *West side parking lot- 2 locations
 - *Install glue down truncated domes.
 - *Restripe/ configure for one HC parking & one van accessible parking stall with proper signage.
- *East parking lot
 - *Install glue down truncated domes on zero curb face curb ramp.
- *Install new ADA accessible zero curb face ramp w/truncated domes & HC stall.
- *Restroom doors close too fast, adjust to proper tension.

Child Care Center (complete 3-26-13)

- *Install ADA compliant signage at parking entry.
- *Install new ADA accessible zero curb face ramp w/truncated domes & HC stall.
- *Install power assist door openers, front and rear playground doors.
- *Install ADA compliant ramp with handrail at loading dock.
- *Install truncated domes at all transitions in path of travel across vehicular lanes, 5 locations.

Citrus Park (complete 4-15-13)

- *Restripe existing HC parking to meet current ADA codes.
- *Install truncated domes.
- *Install proper signage at parking lot and at restrooms.
- *Adjust restroom doors to proper ADA opening and closing pressure.
- *Install proper ADA complaint door handles at restrooms.
- *Ensure that HC restroom stall doors are self-closing.
- *Install proper toilet paper dispensers at HC stalls.
- *Remove existing ramps at play equipment area & install new ADA compliant ramps.
- *Install transfer grab bar in center play area.
- *Install glue down truncated domes at existing zero curb face HC parking in East parking lot.

City Hall (complete 4-6-13)

- *Install new ADA accessible zero curb face ramps w/truncated domes & HC stalls at North & East parking lots.
- *Install ADA compliant signage at park entry.
- *Install power assist door openers at S/E rear doors.
- *Install proper ADA door controller symbols on controllers at six locations.
- *Adjust restrooms doors to be in compliance of 5 lbs.
- *First Floor
 - *Women's Public Restroom:
 - *Install ADA compliant signage at entry doors.
 - *Install self-closer on HC stall door.
 - *Men's Public Restroom:
 - *Install ADA compliant signage at entry doors.
 - *Install paper towel dispenser at proper height.
 - *R&R Urinal to ADA compliant height of 17" AFF.

Appendix B

- *Men's Staff Restroom:
 - *Install ADA compliant signage at entry doors.
- *Women's Staff Restroom:
 - *Install ADA compliant signage at entry doors.
- *Second & Third Floors
 - *Men's and Women's Staff Restrooms
 - *Install ADA compliant signage at entry doors.
 - *Exterior
 - *Install ADA path of travel signage at HC ramp at back of building.
- *Install ADA Coordinator signs. (5-21-13)

Civic Center Gym (complete 10-18-13)

- *Provide ADA accessibility parking entry signs at all parking lot entries.
 - *Provide ADA path of travel signage.
 - *Provide new ADA compliant parking & access.
 - *Install automatic door opener to gym entry door.
 - *Install new ADA compliant ramp at Teen Room.
 - *R&R existing Teen Room restrooms to be ADA compliant.
 - *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.
- WOMAN'S RESTROOM:
- *HC Stall door adjusted to be self-closing.
 - *Install ADA Compliant wall & door signage.
- MEN'S RESTROOM:
- *HC Stall door adjusted to be self-closing.
 - *Install ADA Compliant wall & door signage.

Contreras Park (complete 3-22-13)

- *Add color concrete to existing path of travel to identify 36" clearance from existing light bollards.

Corona Airport (complete 6-4-13)

- *Install ADA compliant parking stalls and signage.
- *Install ADA compliant ramp to office trailer.

Cresta Verde Park (complete 5-9-13)

- *Install new ADA accessible zero curb face walkway w/truncated domes & HC stall.
- *Provide ADA accessibility parking entry signs at all parking lot entries.
- *Provide ADA path of travel signage.
- *Provide new sidewalk to connect public sidewalk for compliant path of entry to park.
- *Add truncated domes at park entry from parking lot.
- *R&R Existing Play area ramp with ADA compliant ramp.
- *Provide new path of travel for ADA accessibility to park beach area.

Eagle Glen Park (complete 3-21-13)

- *Install ADA compliant signage at restrooms.

Appendix B

Fairview Park (complete 4-11-13)

- *Restripe existing HC parking so to meet current ADA codes.
- *Install truncated domes at park entry from parking lot.
- *Install proper signage at parking lot and at restrooms.
- *Remove and patch existing AC ramp in parking lot.
- * Install ramp at playground.
- *Create ADA complaint pathway access from sidewalk to park.

Fire Station #1 (complete 10-25-13)

- *Install ADA compliant path of travel to entry from sidewalk.
- *Remodel/reconfigure restroom to an ADA compliant unisex restroom.

Fire Station #2 (complete 2-26-13)

- *Install ADA compliant parking and signage.
- *Install ADA compliant ramp.

Fire Station #3 (complete 9-6-13)

- *Install ADA compliant path of travel to entry from sidewalk.
- *Remodel/reconfigure restroom to an ADA compliant unisex restroom.

Fire Station #4 (complete 3-6-13)

- *Install ADA compliant parking and signage.
- *Provide ADA path of travel & signage - new sidewalk and ramps.
- *Provide ADA compliant restroom up-grades.

Fire Station #5 (complete 2-26-13)

- *Install ADA compliant ramps and replace sidewalk.
- *Install ADA compliant parking and signage.
- *Provide ADA compliant restroom up-grades.

Appendix B

Fire Station #6 (complete 2-28-13)

- *Install ADA compliant ramps.
- *Install ADA compliant parking and signage.
- *Provide ADA compliant door signage.

Fire Station #7 (complete 2-27-13)

- *Install ADA compliant parking and signage.
- *Install ADA compliant ramp.

Historic Civic Center (complete 4-10-13)

- *Install ADA compliant parking stalls and signage with truncated domes.
- *Provide ADA compliant path of travel from parking lot to City Hall & Child Care.
- *Install truncated domes at intersection of Vicentia & 6th Street N/W sidewalk corner.

Historic Community Room (complete 4-17-13)

- *Remove doors, hardware and door stops to create a case opening at each door/opening into existing prep kitchen from Community Room to achieve required 32" clear opening.
- *Patch and paint as required.

Jameson Park (complete 4-4-13)

- *Install truncated domes along at zero curb face ramp at HC parking.
- *Install ADA compliant parking signage.
- *Install ADA compliant signage at park entry.

Joy Park (complete 04-12-13)

- *Remove existing drinking fountain, cap off water and drain and repair/patch concrete.

Kellogg Park (complete 10-4-13)

- *Provide ADA accessibility parking signs at all parking lot entries.
 - *Provide ADA path of travel signage.
 - *Provide new ADA compliant parking & access.
 - *R&R existing play area ramp with ADA compliant ramp.
 - *Remove & replace existing walk to provide compliant path of travel.
 - *Create new ADA compliant path of travel to tennis courts.
 - *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.
 - *Repair and/or relocate all irrigation damaged due to construction.
 - *Restripe entire east parking stalls.
 - *Paint existing stair nosing's with contrasting color.
- MEN'S & WOMAN'S RESTROOM:
- *Install ADA compliant wall & door signage.

Library (complete 3-26-13)

- *Install ADA compliant parking stalls and signage.
- *Install ADA compliant signage at parking lot entry.

Appendix B

Mt. Gate Park (complete 9-20-13)

- *Provide ADA accessibility parking entry signs at all parking lot entries.
- *Paint all stair nosing's with contrasting color / three sets.
- *Remove portion of existing concrete ramp between ball fields, replace per current ADA specifications.
- *Remove portions of path of travel and reinstall in compliance with ADA guidelines (3 locations).
- *Add truncated domes where needed.
- *Remove all AC build-up ramps, remove signage, re-stripe & repair as needed.
- *Provide new ADA compliant parking & access.
- *R&R existing play area ramp with ADA compliant ramp.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.
- *Provide temp security fence at POT between ball fields.
- *Repair and/or relocate all damaged irrigation due to construction.

WOMAN'S RESTROOM:

- *Relocate or replace side grab bar to achieve 52" compliance.
- *HC Stall door adjusted to be self-closing.
- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant wall & door signage.

MEN'S RESTROOM:

- *Relocate or replace side grab bar to achieve 52" compliance.
- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant wall & door signage.

Ontario Park (complete 5-9-13)

- *Install ADA compliant path of travel to/from restrooms/playground.
- *Install ADA compliant signage.
- *Provide ADA restroom up-grades; grab bars, toilet paper & signage.

Parkview Park (complete 3-28-13)

- *Install new ADA accessible zero curb face ramp w/truncated domes & HC stall.
- *Install ADA compliant signage at park entry.
- *Restripe and configure for one HC parking and one van accessible parking stall with proper signage.

Promenade Park (complete 10-18-13)

- *Provide ADA accessibility parking entry signs at all parking lot entries.
- *Provide ADA path of travel signage.
- *Provide new ADA compliant parking & access.
- *Provide removable bollards per plans & details.
- *Provide new ADA compliant path of travel.
- *Add play equipment.
- *Install new ADA compliant ramp into play area.
- *Relocate safety fence/poll in dugouts to obtain proper ADA clearance.
- *Remove portion of existing bench in dugouts to provide HC seating area.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.

Appendix B

WOMAN'S RESTROOM:

- *HC stall door adjusted to be self-closing.
- *Install ADA compliant wall & door signage.

MEN'S RESTROOM:

- *HC stall door adjusted to be self-closing.
- *Install ADA Compliant wall & door signage

Ridgeline Park (complete 4-29-13)

- *Provide new accessible HC parking stalls.
- *Install ADA compliant signage at park entry.
- *Install ADA compliant path of travel signage.
- *Install truncated domes at existing curb ramp.
- *Demo existing park access & install new ADA compliant path of travel into park per plan.

Rimpau Park (complete 4-4-13)

- *Restripe parking lot to achieve proper ADA HC parking.
- *Install proper ADA parking signage.
- *Install ADA compliant signage at park entry.
- *Relocate grab bars in Men's & Women's restrooms to proper ADA specifications.
- *Install proper ADA compliant handles on Men's & Women's restroom doors.

River Road Park (complete 10-25-13)

- *Provide new AC parking paving, striping and signage. Grind 10% and overlay.
- *Provide new ADA compliant parking & access.
- *R&R existing play area ramp with ADA compliant ramp.
- *Remove and replace concrete path at Community Room for ADA compliance.
- *Remove and replace to ADA compliance concrete walks.
- *R&R existing transaction counter to ADA compliance.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.
- *Repair and/or relocate all irrigation damaged due to construction.
- *Install retrofit ADA stair nosings at exterior steps.

WOMAN'S RESTROOM:

- *HC stall door adjusted to be self-closing.
- *Toilet paper dispenser adjusted to be continuous rolling type and in compliant ADA position.
- *Relocate toilet seat cover dispenser to ADA compliant position.
- *Install ADA compliant wall & door signage.

MEN'S RESTROOM:

- *HC stall door adjusted to be self-closing.
- *Toilet paper dispenser adjusted to be continuous rolling type and in compliant ADA position.
- *Relocate toilet seat cover dispenser to ADA compliant position.
- *Reposition flush control valve to wide side of area.
- *Install ADA compliant wall & door signage.

Appendix B

Rock Vista Park (complete 3-19-13)

- *Install new ADA compliant HC parking and ramp into park.
- *Install ADA compliant signage at park entry.
- *Restripe/configure for one HC parking & one van accessible parking stall with proper signage.

Santana Park (complete 10-18-13)

- *Provide ADA accessibility parking entry signs at all parking lot entries.
- *Provide ADA path of travel signage.
- *Paint all stair nosing's with contrasting color / 3 locations.
- *Remove portion of existing concrete ramp between ball fields, rebuild per plans & detail and current ADA specifications.
- *Remove, re-build and/or alter existing HC parking stalls & ramps per plans & details.
- *R&R existing play area ramp with ADA compliant ramp.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.

WOMAN'S RESTROOM:

- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant wall & door signage.

MEN'S RESTROOM:

- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant wall & door signage.

Senior Center (complete 2-27-13)

- *Install ADA compliant parking stalls and signage.
- *Install ADA compliant path of travel/ramp to building entry from parking.
- *Install ADA compliant signage at parking lot entry.
- *Install ADA compliant restroom signage.
- *Widen door ways to proper ADA compliance.
- *Install ADA compliant transaction counter.

Serfas Club Park (complete 11-15-13)

- *Provide ADA accessibility parking entry signs at all parking lot entries.
- *Provide ADA path of travel signage.
- *Provide new ADA compliant parking & access.
- *R&R existing play area ramp with ADA compliant ramp.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.
- *Provide ADA compliant drinking fountain.
- *Repair and/or relocate all irrigation damaged due to construction.

WOMAN'S RESTROOM:

- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant sink.
- *Install ADA compliant wall & door signage.

MEN'S RESTROOM:

- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant sink.
- *Install ADA compliant wall & door signage.

Appendix B

Sheridan Park (complete 5-9-13)

- *Remove and replace concrete walk per plans & details
- *R&R existing play area ramp with ADA compliant ramp.

Spyglass Park (complete 3-21-13)

- * Reconfigure existing 4 tables to allow 36" clearance around each table and secure to concrete.
- *Construct new zero curb face ADA compliant ramp to sidewalk from parking lot.
- *Restripe/configure for one HC parking & one van accessible parking stall with proper signage.
- *Install ADA compliant signage at park entry.

Tehachapi Park (complete 3-22-13)

- *Grind/bush all raised concrete in affected areas to a flush smooth transition.

Victoria Park (complete 10-18-13)

- *Provide ADA accessibility parking entry signs at parking lot entries
- *Provide new ADA compliant parking & access.
- *Provide ADA compliant access ramp at rear hallway entry.
- *Provide ADA compliant main entry to hallway. (Reconfigure security gate & fence to provide ADA compliant landing at top of stairs.)
- *R&R existing play area ramp with ADA compliant ramp.
- *Provide ADA compliant signage, fixtures, hardware and components at restrooms per plans, details and current ADA standards.
- *Repair and/or relocate all irrigation damaged due to construction.

WOMAN'S RESTROOM:

- *R&R all porcelain fixtures and replace with stainless steel institutional grade fixtures.
- *Stall to achieve 18" to CL of toilet and remount grab bars for ADA compliance.
- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant wall & door signage.

MEN'S RESTROOM:

- *R&R all porcelain fixtures and replace with stainless steel institutional grade fixtures.
- *Stall to achieve 18" to CL of toilet and remount grab bars for ADA compliance.
- *Reinstall sink to proper ADA compliant height.
- *Reinstall and/or replace existing urinal to proper ADA height.
- *Toilet paper dispenser adjusted to be continuous rolling type.
- *Install ADA compliant wall & door signage.

Appendix B

Village Park (complete 3-29-13)

- *Construct new zero curb face ADA compliant ramp entry to park, both directions with landings.
- *Regrade parking stalls as necessary to achieve 2% code compliance.
- *Restripe/configure for one HC parking & one van accessible parking stall with proper signage.
- *Install ADA compliant signage at park entry.
- *Install proper ADA signage at restroom doors (Men's and Woman's.)

730 Corp Yard (Police Station - complete 3-27-13)

- *Install ADA compliant door sign on unisex restroom.
- *Install ADA compliant zero curb face at intersection corner.

735 Corp Yard (complete 4-4-13)

- *Install ADA compliant transaction counters.
- *Install ADA compliant parking stalls and signage.

Public Right-of-way Infrastructure through 12-31-13

- *Installed 32 new ADA compliant ramps.
- *Replaced 45 ramps with ADA compliant ramps.
- *Retrofitted 150 ramps to comply with ADA standards.
- *Adjusted 5 Pedestrian Push Buttons to be ADA compliant.
- *Construct 6,058 linear feet of new sidewalk.
- *Installed bus shelters and improved accessibility at 25 bus stops.

2014 ADA Upgrades – Scope of Work completed

Public Right-of-way Infrastructure through 12-31-14

- *Installed 6 new ADA compliant ramps.
- *Replaced 44 ramps with ADA compliant ramps.
- *Retrofitted 66 ramps to comply with ADA standards.
- *Constructed 6,292 linear feet of new sidewalk.

Survey of Public Right-of-way Infrastructure as of 12-31-14

- | | |
|--|-------|
| *Number of corners without curb ramps: | 207 |
| *Number of ramps without detectable warning devices: | 4,461 |
| *Number of ramps fully compliant: | 718 |
